Arrive and Drive package Dutch Time Attack semi pro Chevrolet Camaro

The usual trackdays are getting a little boring? And you are looking to compete?

Take your chance in this podium contender Camaro in the Semi Pro class of the Dutch Time attack series!

This package includes the car ready to race, delivered at the racetrack, fully serviced, ready for you to drive. Also includes the fuel, track support, and the entry fee for the races. (damages not included, driver has to sign a contract)

Can be booked for a single event, or a full season.

You will be driving a 2010 Camaro SS V8 with a paddle shift automatic gearbox

The car has 405 hp, and 6 gears

Suspension has been upgraded with coil overs and larger swaybars

Tires are Nankang AR-1

Racing experience required, or mandatory test day with one of our instructors
